

Stirling Sports

WE LOVE OUR SPORT

Dear Club Members and Supporters

When a club member or supporter of the Kerikeri Football Club purchases a product at full retail price from Stirling Sports at Waipapa, 5% of the value of the purchase will be donated to Kerikeri Football Club. Flyer products are also included in this offer. The sale will be entered in their customer database under Kerikeri FC. The onus is on the customer to nominate the club at time of purchase. This offer lasts until 31 March 2011.

Better yet, purchases *do not* have to be football related. They can relate to any product in any category.

An issue that may cause confusion is the sale of football boots. As you know Stirling Sports currently offers all club members a 10% discount on the purchase of boots. They cannot afford to discount as well as rebate. Therefore club members have the choice at time of purchase.

Please help support the Kerikeri Football Club by taking up Stirling Sports great offer. Stirling Sports prices are very competitive and they have a great range of sportswear to choose from and – Money spent locally assists the local economy and our community.

Kerikeri Football Club would like to acknowledge the support that Stirling Sports has made to football over many years and also the current sponsorship of two club teams.
